

Emergency Volunteer Support Scheme

Eligible expenditure guide

This document provides guidance on eligible expenditure considered under the Emergency Volunteer Support Scheme. You should read this guide before completing an application form.

The below list is not exhaustive. Requests for funding for activities/equipment not listed below will be considered. Your application must demonstrate the activities/equipment directly contribute to the recruitment/retention and training of emergency volunteers.

Note: RFS, SES and Marine Rescue NSW units/brigades should contact their relevant agency HQ regarding eligible expenditure for their agency. Contact details below.
