1 Purpose

1.1 This Service Standard has been issued to ensure that the identification of the NSW Rural Fire Service's (NSW RFS) appliances and vehicles are rationalised under a defined category. This process will enhance the management of NSW RFS resources.

2 Policy

- 2.1 The category identification of all NSW RFS appliances and vehicles are as per the following table.
- 2.2 These category details are to be retrospective for both dedicated and private appliances/vehicles.
- 2.3 Districts are to amend and maintain records and data accordingly.
