Golden Celebration for Green Point Rural Fire Brigade

26 May 2024

RFS members on the Mid Coast will come together today to celebrate Green Point Brigade's 50th anniversary.

RFS Mid Coast District Manager Superintendent, Ugo Tolone, will join brigade members, family and friends and other special guests at an event at the Green Point Fire Station.

"This will be a great opportunity to celebrate the brigade's history and congratulate members past and present for supporting the local community for five decades," Superintendent Tolone said.

"From humble beginnings in 1974, it is today at the forefront of volunteering, supporting the community in preparing for the threat of fire and actively responding when emergencies arise.

"Green Point continues to be a very active brigade, attending a broad range of incidents including bush and grass fires, motor vehicle accidents, assisting with hazard reduction burns, and attending incidents out of area."

Superintendent Tolone said the Green Point Brigade had also attended some major fires over the last number of years, including those during the devastating 2019/20 fire season.

"I know the community is in safe hands with such a dedicated group of volunteers and I thank current and former members for their commitment and dedication," he said.

"The hard work and professionalism of all RFS members does not go unnoticed and while they do not ask for praise, it is fitting to take this opportunity to acknowledge their contribution to their community.

"We must also thank the family, friends, employers and colleagues of these and all volunteers. We know it takes their support to help our members do what they do to save lives and protect property."
