Government Information (Public Access) Act 2009 (NSW) FORMAL ACCESS APPLICATION

INFORMATION FOR APPLICANTS

• Summary incident related report: NSW Rural Fire Service (NSW RFS) usually provides access to the 'Fire Incident Reporting System (FIRS) Summary Report' free of charge through the State Operations Centre. If you are seeking access to this document only, please make a separate application for this report using the process set out on our website at www.rfs.nsw.gov.au

• **Application fee:** if you can demonstrate financial hardship (Pensioner or Centrelink card) the NSW RFS will reduce the application fee by 50%. Please attach proof of financial hardship with your application.

• Scope of your application: clearly outline the information you are seeking and provide sufficient detail to identify the information requested. This may streamline the processing of your application. Further, if you are seeking incident related information on behalf of a third party (for example if you are an insurance company and seek information on behalf of an insured party) please specify this in your request.

- **Consultation with third parties**: if the information you are seeking access to:
- 1) contains personal information of third parties;
- concerns a third party's business, commercial, professional or financial interest;
- 3) concerns research carried out by or on behalf of a third party; or
- affairs of a government of the Commonwealth or another State;

the NSW RFS may be required to consult with the relevant third parties. This increases the decision period for processing your application and may increase the processing costs. If you wish to exclude information requiring consultation from the scope of your application in order to avoid an extension in the decision period or reduce processing charges please note this in your request.

Please complete this form to apply to make a formal application to access government information in NSW from the NSW RFS under the *Government Information (Public Access) Act 2009* (NSW) (GIPA Act).
