

## Update - Winmalee and Springwood areas

19 October 2013

A further assessment of properties has been completed in the Springwood and Winmalee areas.

At this stage, 193 properties have been destroyed, with 109 damaged.

Approximately 95 percent of the Springwood and Winmalee fireground has been assessed. The number of properties destroyed or damaged may change. Updates on this and other firegrounds will be released when available.
